National Core Indicators (NCI) At-A-Glance Report

The Division of Developmental Disabilities-Quality Enhancement Unit is distributing a series of *At-A-Glance Reports* intended to inform and educate stakeholders of National Core Indicators (NCI) survey data that highlights services and supports in need of enhancement to meet the Missouri Quality Outcomes. The first three reports can be found on the Division's [website](#).

The fourth report in the *At-A-Glance* series focuses on the [Missouri Quality Outcome of Citizenship and Advocacy](#). NCI and Missouri Quality Outcomes survey data is cross walked with various topics related to Citizenship and Advocacy, including self-determination, self-advocacy, guardianship and Supported Decision-Making.
